

Sudden Blurring. *Explanation:* As the puppy plays among the leaves, it becomes blurred along with the leaves as it moves.

Object Trajectory. *Explanation:* While the camera was still, the red-and-white train barrier moved forward on its own.

Redundant Object. *Explanation:* As the man forms a heart shape with his hands, a third arm suddenly appears.

Unexpected Move. *Explanation:* The beer glass unnaturally tilts and moves toward the person's mouth without any visible external force.

Background Distortion. *Explanation:* As the pedestrian crosses the street, the car in the background undergoes irregular deformation.
